

EPDM FLOORING MAINTENANCE

EPDM (Ethylene Propylene Diene Methylene) is a synthetic rubber and is largely used for various sports surfaces, running tracks, kids play area, safety flooring etc. It is considered as one of the safest floorings for children's play area. There are many advantages of EPDM flooring:

EPDM can either lay directly with PU or else make a sandwich with SBR to reduce the cost. For kids play are general accepted norms for thickness selection of EPDM safety flooring is of 36 mm or 25 mm, depending upon the free fall height. EPDM flooring consists of rubber granules which reduces the head impact if children fall from a specific height.

EPDM can either lay directly with PU or else make a sandwich with SBR to reduce the cost. For kids play are general accepted norms for thickness selection of EPDM safety flooring is of 36 mm or 25 mm, depending upon the free fall height. EPDM flooring consists of rubber granules which reduces the head impact if children fall from a specific height.

EPDM flooring requires minimum maintenance and it is stain resistant and has minimal chances of swelling up from water. EPDM is not only a great option for Children's Play area but it can be also applied on different outdoor courts such as tennis, basketball and running tracks.

EPDM Flooring Care Instructions for keeping it safe & maintained for a longer period:

- Regular cleaning of this floor is advised
- Sweep it regularly with a soft broom
- Use soapy water to clean the spots
- Use only mild detergents
- Avoid using hard brush
- Avoid harsh detergents or solvents that may damage the surface.
- Resist the urge to power wash the surface as it may dislodge the EPDM granules, degrade the PU binder and weaken the surface.
- If you want to sanitize the surface, use only special floor sanitizers available to clean poured rubber surfaces

General Playground Safety Rules and Guideline for Kids

- 1) There must be an adult with each child or group of children on the playground at all times. Any problems to be reported to the adult in charge or whoever assisting you.
- 2) No oversize clothing or hoodies or clothes with drawstrings are allowed on the play area.
- 3) Be clear about the age group the playground is intended for.
- 4) Be extra careful for climbing equipment and never touch anyone who is climbing. Wait your turn instead of trying to climb too.
- 5) No pushing, shoving, hitting, teasing, bullying, or unkind words.
- 6) No running, playing tag or chase games on or around playground equipment.
- 7) When you get on or off equipment, make sure there is no one in the way.
- 8) Touch the playground equipment before you start to play. If it is wet, hot or cold, do not play. Tell an adult.
- 9) If there is more than one person want to use the same equipment, get in line and wait for your turn. Do not hold places or try to jump the line.
- 10) Use the equipment as it is intended to be used. Ask an adult if you are not sure how to use the equipment.
